SUMMARY

Versatile Software Developer with experience in UI/UX design, quality assurance, and SaaS development. Skilled in web and backend programming, databases, and cloud solutions, with contributions to projects ranging from clinic management systems to enterprise ERP platforms. Recognized for adaptability, attention to detail, and teamwork, with a proven record of delivering polished solutions and generating over 230+ qualified sales leads. Adept at leveraging GitHub for collaboration, with a portfolio available upon request, and committed to building scalable systems that enhance user experience and operational efficiency.

WORK EXPERIENCE

Software Developer (Intern)

Jan - May 2026

Inspire Holdings Inc. | Alliance Global Tower, Uptown, BGC, Taguig City

- Contributed to UI/UX enhancement of the Loopwork platform, architecting the transition to Version 2.0.
- Refined the landing page and core dashboard to deliver a more engaging, intuitive, and visually polished website experience.
- Improved usability across 16 integrated multitasking tools, enhancing overall platform responsiveness and user satisfaction.

Quality Assurance (Intern)

Jan - May 2026

Inspire Holdings Inc. | Alliance Global Tower, Uptown, BGC, Taguig City

- Successfully performed QA for Loopwork Version 2.0, including landing page, login page, and portal page.
- Utilized multiple testing tools while adhering to ISO Standard Software Testing protocols.
- Ensured high-quality software delivery by identifying defects, documenting issues, and validating fixes.

Junior Sales Associate (Part-time)

Jan - May 2026

Inspire Holdings Inc. | Alliance Global Tower, Uptown, BGC, Taguig City

- Contributed to generating over 230+ qualified sales leads by engaging with various companies.
 - Collaborated with Itech's Sales Team to strengthen sales strategies and improve client engagement.
 - Participated in meetings and training sessions to enhance outreach techniques and support lead conversion.
-

EDUCATION

BS Information Technology (BSIT)

2022 – Present

Global Reciprocal College

Accountancy, Business, and Management (ABM)

2021-2022

Northern Isabela Academy

PROJECTS

Online Loopwork Website | Unified Multitasking & Productivity Suite

- Architected and contributed to the Version 2.0 interface of Loopwork, a productivity platform.
- Designed a high-performance landing page and intuitive user dashboard.
- Enhanced usability across 16 integrated multitasking tools, streamlining workflows and boosting digital efficiency.

Email Sender Automation System | High-Volume Outreach & Analytics

- Built a custom automated email system to eliminate time-consuming manual outreach for sales teams.
- Enabled faster, more precise communication with customers through intelligent automation workflows.
- Incorporated real-time engagement analytics to optimize outreach strategies and improve conversion rates.

Optical Clinic Online System | Complete Multi-Branch Clinic Management

- Contributed to the design and development of a multi-branch management system for North Vision Optical Clinic (Manila, Cebu, Davao).
- Streamlined operations beyond manual inputs with a dynamic dashboard and branch-specific tracking.
- Integrated sales and inventory management, customer records, role-based access, audit trails, and repair tracking.

TECHNICAL SKILLS

- Web Development: HTML, CSS, JavaScript, PHP, React (exposure)
- UI/UX Design: Responsive layouts, Figma prototyping, Flutter (mobile interface)
- Backend & Programming: Node.js, Python, Java, C#
- Databases: MySQL, PostgreSQL, Firebase, Supabase
- Cloud & SaaS: ERP multi-tenant systems, Neon integration
- Tools & IDEs: Visual Studio Code, PyCharm, JetBrains, GitHub (portfolio available)
- Data & Analytics: Tableau, Power BI
- Other: Basic video editing, Canva graphics, Microsoft Office Suite

SOFT SKILLS

- Strong attention to detail and quality assurance mindset
- Effective communication and teamwork across technical and sales teams
- Time management and task prioritization under project deadlines
- Adaptability to new technologies and workflows
- Responsible, goal-oriented, and proactive in problem-solving
- Client engagement and collaboration experience (sales and consulting support)

TRAINING & CERTIFICATION

- Microsoft - Get Certified as an Excel Pro
- Sololearn - Introduction, Intermediate to C#
- Cisco Networking Academy - Python Essential 1 & 2
- Department of Information and Communications Technology (DICT) Caraga - Understanding WEB 3.0

AWARDS & RECOGNITION

- Dean’s List Awardee
- 1st Place – Best Video Résumé
- Top Performer – Business Analytics
- Champion – CCS Promotional Video Contest (Group Award)
